## NEW EQUIPMENT PRODUCT INFO

### HAUSMANN PULLEY WEIGHTS

#### Extra 2 lb Weight Plate

Provides several levels of resistive exercise for specific muscles. Features: solid wood floor and wall plates, ball bearings for smooth operation, detachable metal handles and bumpers at base to minimize noise. A valuable investment in therapeutic and general exercise gymnasiums. Includes five 2 pound weight plates for each side (total 20 lb).

**NOTE:** since you have not **LOGGED IN**, we are unable to check your account for special pricing.
